The owner*, Trim-Tex, Inc., of 100% (100 percent) interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term **prior** patent No. 7,200,970 as the term of said prior patent is defined in 35 U.S.C. 154 and 173, and as the term of said **prior** patent is presently shortened by any terminal disclaimer. The owner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the **prior** patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.
